Falcone Global Solutions announces expansion of Philadelphia, PA Service Center

Atlanta, Georgia Falcone Global Solutions, LLC, a world leader in international ocean and air freight forwarding, transportation and global logistics solutions is pleased to announce the expansion of our Philadelphia, PA service center. Located at 1 International Plaza Philadelphia, PA, the office is adjacent to the Philadelphia International Airport.

"The Mid-Atlantic and Northeast United States have long represented a strong growth area for our firm," stated John Falcone, Managing Partner at FGS, LLC. "Our firm represents, and is contracted with, companies of varying sizes and global reach in the Mid-Atlantic and Northeast United States." The PHL office will offer a portfolio of best in class global technology, transportation and logistics service offerings including: Ocean and Air import and Export, Customs Clearance and Compliance services, Domestic and International Truckload (TL) and Less than Truckload (LTL) brokerage service.
