**Falcone Global Solutions named finalist for Metro Atlanta's Healthiest Employers**  
*Falcone also ranked # 30 as Metro Atlanta's Fastest Growing Private Companies*

**Atlanta, Georgia** Falcone Global Solutions, LLC (FGS, LLC), a world leader in international ocean and air freight forwarding, transportation and global logistics solutions is pleased to announce the nomination and subsequent finalist award for Metro Atlanta's Healthiest Employers. All finalists will be recognized and rankings will be announced during an Awards Presentation at the Georgia Aquarium on February 12.

"FGS, LLC has made a pledge and commitment to our employees to offer not only a comprehensive suite of healthcare insurance plan options and access to a world class workout facility, but added the additional component of an in-house Wellness Program," stated Suki Falcone, CEO of FGS, LLC. "Our comprehensive Wellness Program focuses on setting goals for healthy lifestyles tailored to each employee and their individual desires and needs – from weight loss to energy and performance as well as healthy aging."

In addition to the Healthiest Employers recognition, FGS, LLC was also ranked # 30 as one of the Fastest Growing Private Companies in the 30<sup>th</sup> Edition of the *Atlanta Business Chronicle's* Book of Lists 2014-2015. The Book of Lists is an annual compilation recognizing Georgia companies and executives in their respective field by rankings.

"We are truly honored by the *Atlanta Business Chronicle's* recognition of FGS, LLC both in the Book of Lists for fastest growing private companies and healthiest employer's category," Falcone stated. "It is rewarding and humbling for our firm to make a positive impact on the State of Georgia, Metro Atlanta and our employees."
